We are writing to you, as you have expressed interest to stay informed about what's happening on Collett's Corner in Lyttelton.

We would like to invite you to our next public gathering happening on June 6 at 6 pm down at the Lyttelton Community Boardrooms, 25 Canterbury Street.

Where we will be presenting:

- + The Attraction Model in more detail
- + Development timeline
- + Putting out the call for interested business owners
- + Announcing the Design Brief and Requirements to entry for the design competition.

*This is an important evening for local Architects and interested business owners. So if you know of anyone, share, share, share. An abundance of opportunities coming their way.

In our previous email mid May, we announced the development option, the Attraction Model. Do you remember the Attraction model? Imagine a beautifully designed 4 story building, buzzing with life. On the basement level, baths to luxuriate in all year round, and keep us warm on those cold winter days! (I Wish the building was open now.. brrr)

The ground level will be shared office space a CoWork environment for Creatives, Entrepreneurs, Digital Nomads, Health Practitioners and more. An eatery and Juice bar to nourish your body and soul. On the Third-floor Boutique style accommodation Quirky and contemporary. Short-term and Longer-term style accommodation options. The fourth floor an arthouse Cinema with Lounge Style Wine and Cocktail Bar, perfect for those more intimate occasions. Collett's Corner = 4 floors of goodness! A desirable meeting place for locals and visitors to Lyttelton, to connect, enjoy, be inspired and thrive.

If you would like to join the June 6th information Session - it is free.
