

Kia Ora (:

Hope you are well (:

We are writing to keep you in the loop with Stage 2 of the Collett's Corner Design Comp.

The three finalist teams have until August 31 to submit their developed designs.

The Designs will be open to public view and vote from Sept 3-6th.

You will be able to view them [here](#) on those dates.

If you are in Christchurch, we warmly welcome you to the Presentation at the LAF in Lyttelton on September 6.

The designers will essentially be pitching their designs to the audience and will make for an informative, lively and creative evening!

You can buy tickets [here](#) or pay \$10 at the door. (We are fundraising for a local Lyttelton Charity - Lyttelton Community House.)

Thank you so SO much for entering the design comp. We loved sharing the evening with you back in July - and were delighted at the quality of the submissions. We look forward to sharing many more design comps in the future of Ohu with you (:

All the best, and keep being Awesome (:
